河源市松兴新材料有限公司

Heyuan Songxing New Materials Co., Ltd.

河源市松兴新材料有限公司，深耕仿真雪花领域15年，专注仿真雪花研发、生产与销售。公司始于2010年创办的惠城区沥林镇彩合兴装饰材料厂，2018年升级成立惠州市仲恺高新区冰雪圣诞装饰材料厂，现如今落户广东河源打造全新现代化生产基地，毗邻惠州、深圳、东莞、广州，物流交通便利发达。

With 15 years of specialization in artificial snow products, Heyuan Songxing New Materials Co., Ltd. started in 2010 as Caihexing Decoration Material Factory. After upgrading to Bingxue Christmas Decoration Material Factory in 2018, we have now established a new modern production base in Heyuan. Strategically near Huizhou, Shenzhen, Dongguan and Guangzhou, we benefit from superior logistics and convenient transportation networks.

主营环保认证雪景喷雾、造雪设备与定制仿真绿植，所有产品通过多国安全检测，畅销全球海外市场。

We manufacture certified artificial snow spray, snow-making equipment and customized artificial green plants. All items meet international safety standards and sell to global markets.

本厂始建于2010年，集原材料加工、款式设计、新品研发、规模化生产于一体，支持工厂实地参观与贴牌定制。

Originated from 2010, our factory integrates raw material processing, design, R&D and mass production, supporting factory visits & OEM customization.

我厂主打特色雪景造景产品，长期为海内外影视剧组提供雪景特效道具布置，合作打造《长津湖》《延禧攻略》《权力的游戏》等知名影视项目。

Our factory specializes in snow scene landscaping products. For years, we have supplied snow-effect props and on-site layout services for film and television crews at home and abroad. We have participated in the production of numerous well-known productions, including The Battle at Lake Changjin, Story of Yanxi Palace and Game of Thrones.

公司坚持内外双循环发展战略，深耕国内市场的同时，借助线下参展、跨境电商拓展海外销路，产品远销欧洲、北美、南美、南亚各地。

Our company adheres to the dual domestic and international development strategy. While consolidating the domestic market, we expand global sales channels through offline exhibitions and cross-border e-commerce. Our products are widely exported to Europe, North America, South America, and South Asia.

先后服务海内外众多影视摄制组、大型主题活动，具备丰富的实景造雪配套实战经验。

We have served numerous domestic and overseas film crews and large-scale theme events, accumulating rich practical experience in real-scene snow landscaping and supporting services

泡沫雪花

本品是高发泡泡沫雪花(仿真),适用于雪花造景,模仿自然界的下雪,在物体上雨后再消融的效果,对草木绿叶都能放心使用。

This product is high-expansion foam artificial snow, ideal for snow scene landscaping. It simulates natural snowfall and creates the effect of gradual melting after falling onto surfaces. Safe to use on plants and green leaves.

人造雪花

我们的业务范围涵盖生产不同材料不同用途的人造雪,人造冰晶,喷雪机,下雪机水性胶水,水性丙烯酸,白乳胶,防火胶,快干胶。

Our business scope covers the production of artificial snow and artificial ice crystals made from various materials for diverse applications, as well as snow spray machines, snowfall machines, water-based adhesives, water-based acrylic adhesives, white latex, fire-resistant adhesives and quick-drying adhesives.

仿真绿植

本厂仿真绿植产品线齐全,涵盖彩芋、地插、大小盆栽、各类景观树,采用环保高仿真材质,造型逼真耐用,适配景区、婚庆、室内软装等多场景,可按需搭配造景,供货稳定。

We supply a full line of artificial plants: calatheas, ground-insert plants, assorted potted plants and landscape trees. Constructed from eco-friendly high-simulation materials, these realistic and durable plants fit scenic areas, weddings, indoor soft decor and more. Custom landscape matching available with stable stock supply.
